HUMBER ITAL BACHELOR OF INTERIOR DESIGN THESIS SHOW

APRIL.28.6PM LAUNCH

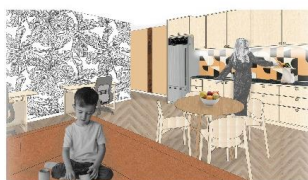

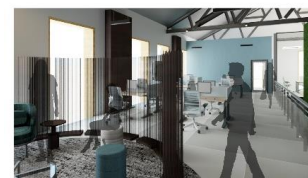

“**To REFORM** is to improve the systems already in place for our generation and the generations to come.

To REFORM is to challenge and consistently strive for collaboration, exploration and innovation in the world of interior design.

As the graduating class of the **Bachelor of Interior Design 2022**, we focus on the creation and design of unforgettable spaces that will **REFORM** the world of design.

We are the future.”

AWARDS

Most responsive attitude towards design critiques

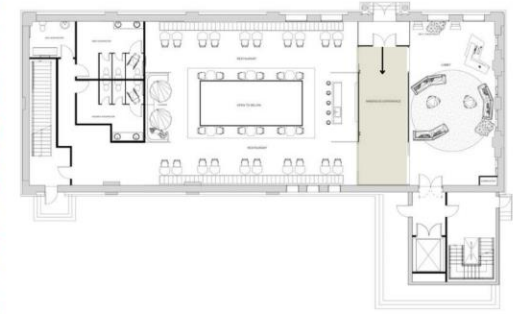

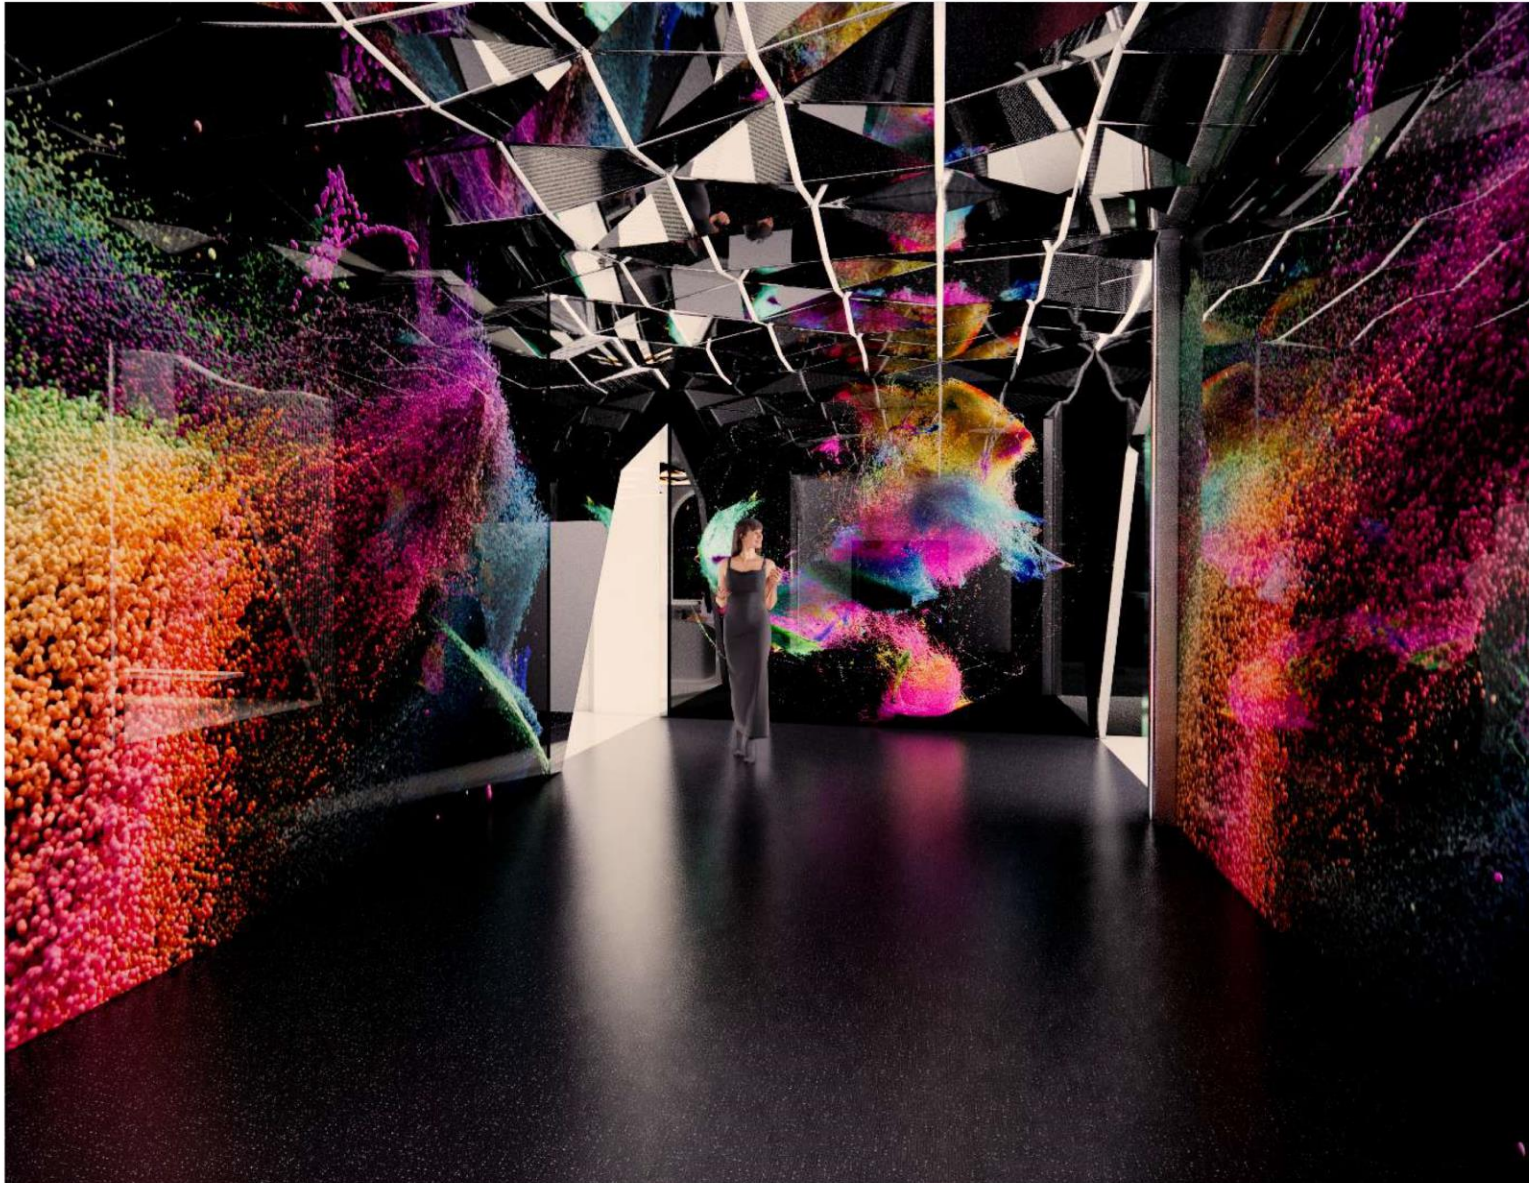

This award is presented to the student who was open to all suggestions and ideas, and who embraced the objectives of the design critiques with a positive attitude and an open mind by producing a variety of solutions throughout the process.

CONGRATULATIONS from the
Bachelor of Interior Design FACULTY

Congratulations to the entire thesis class!

This design work reflects the culmination of both the personal commitment to your studies and the dedication to your chosen profession. I wish you all well as you transition from academic life in what has been unprecedented times, to the next chapter in your careers.

Good luck and best wishes to all of you. Fantastic work!

Best regards, Claudina

You are such an inspiration. Now go out and chase your dreams!

All the best, Lesley

"You did it! Everything you have learned and experienced will prepare you for the mysteries and surprises that come your way as you move through future times. Life begins at the end of your comfort zone! Congratulations class of 2022!!! Wishing you all the best! Don't forget the 20 bucks!"

- Anna Stranks

Be as confident in your ability and potential as I am; stay humble but rise above.

Zack Korzen

What a great cohort! It's been terrific collaborating with you this term. Collectively, you possess the attributes, diligence, and level of commitment to succeed as interior design professionals and as ambassadors for the BID program. All the best.

(Craig Crane)
